GUIDE

A MESSAGE FROM THE SUPERINTENDENT

Dear Perry Township Community,

We have an exciting year ahead filled with new opportunities, academic growth, meaningful friendships, and plenty of memorable experiences along the way.

One of the most exciting developments this year is the launch of our new entrepreneurship and innovation center on the campus of the University of Indianapolis. Opening this fall in its temporary location, the program will provide students from both Perry Meridian and Southport High Schools with an immersive, career-connected learning experience. Students will be transported to UIIndy's campus, where they will engage in hands-on learning designed to prepare them for future careers and success beyond high school.

We are also excited to unveil the transformation of Holder Field. The facility now features two new turf fields, with grass currently growing on two additional baseball and softball fields. Upgraded dugouts, concession stands, and other improvements have created a first-class experience for our student-athletes and the community.

Last school year, we began implementing our District Strategic Plan, which focuses on four key priorities:

- **Initiative 1:** Improving academic performance
- **Initiative 2:** Fostering a positive school climate
- **Initiative 3:** Strengthening relationships with parents, guardians, and the community
- **Initiative 4:** Prioritizing transparency in financial management

I am pleased to report that we are seeing positive results in each of these areas. Here are just a few examples of our progress:

- **Initiative 1 Update:** Academic achievement continues to improve, including an increase in the IREAD-3 passage rate compared to the previous year.
- **Initiative 2 Update:** Every school in the district is now utilizing Onflo (formerly Let's Talk), making it easier than ever for families and community members to share feedback, ask questions, and communicate with our schools.
- **Initiative 3 Update:** We established an 18-member Community Advisory Board made up of local residents, business leaders, and community organizations. This group will work alongside district leadership to support and enhance educational opportunities for our students.
- **Initiative 4 Update:** We celebrated the reopening of Holder Field with a community ribbon-cutting ceremony, highlighting our commitment to providing outstanding facilities for students and families. Additionally, Perry Township Schools earned the highest possible rating in its most recent financial audit, demonstrating our continued commitment to responsible stewardship of taxpayer resources.

I am grateful for the progress we achieved together last year, but our work is far from finished. We will continue building on these successes, keeping student growth and achievement at the center of everything we do – because in Perry Township Schools we grow kids. Thank you for your continued support of Perry Township Schools. Together, we will make the 2026-27 school year one of our best yet.

Sincerely,

Dr. Patrick Spray

ASSISTANCE

At Perry Township Schools we strive to provide access and resources that benefit all students. Although meals and textbooks are free this year, we HIGHLY encourage families to still fill out the assistance application on Skyward. Completing this application ensures the district receives all eligible funding to support students. Families who feel they qualify based on the income eligibility chart below should apply. Applications will open **August 17, 2026**. Please fill out an application before **September 1**. For the most rapid processing of your application, please apply on Skyward.

Perry Township Schools will not charge families for textbooks for the 2026-27 school year. However, outstanding charges from previous years will still be billed. Additionally, any lost or damaged materials will be billed. Both of these payments can be paid through our e-Funds system.

E-Funds questions? Contact Heather Harrington at 317-789-3749 or hharrington@perryschools.org.
